*****Every Clients' needs, tastes and budget along with dietary restrictions are different. We always recommend that you contact us directly so that we can work with you to create a menu that meets not only your dietary restrictions or preferences but also your budget. Pricing is sometimes negotiated based on the quantity of guests being served. Although we are a Barbeque based company, we also prepare a host of multi-cultural dishes and specialties from oysters to lasagne and everything in between.**

When contacting us, all we ask is the tentative date, the number of guests and your budget on a per person basis. By knowing your budget it makes it possible for us to provide you an accurate calculation of menu options.
